

## Participation Day Sign-up

Please select from the classes listed below the proper sign-up for your choice of day to participate in the classroom. Name a first and second choice, or indicate if you have no preference. Please note if there are any days on which you are not available. Every effort will be given to give you your first choice, but it may not be possible. Please return your form as soon as you can.

Each day a parent/guardian will assist the teacher and assistant teacher on a rotating basis. The parent will be responsible for the snack preparation for that day.
